Basketball Blitz

The ride begins with a steep drop that simulates a basketball slam dunk. Riders experience twists and turns that mimic dribbling a basketball as they navigate through hoops and giant basketballs.

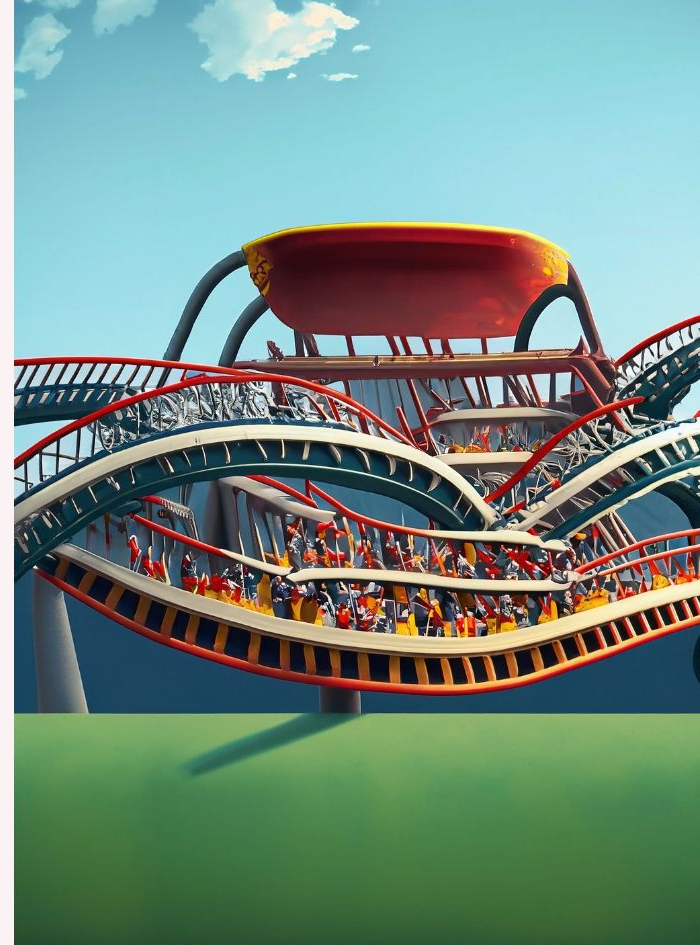

Football Frenzy

The coaster takes riders through a section designed to resemble a football field. Riders experience quick, sharp turns and sudden drops, replicating the fast-paced action of a football game

Soccer Showdown

This section features a series of twists and turns designed to mimic the movements of a soccer ball on the field. Riders feel like they are navigating a soccer match, complete with goalposts and soccer-themed obstacles.

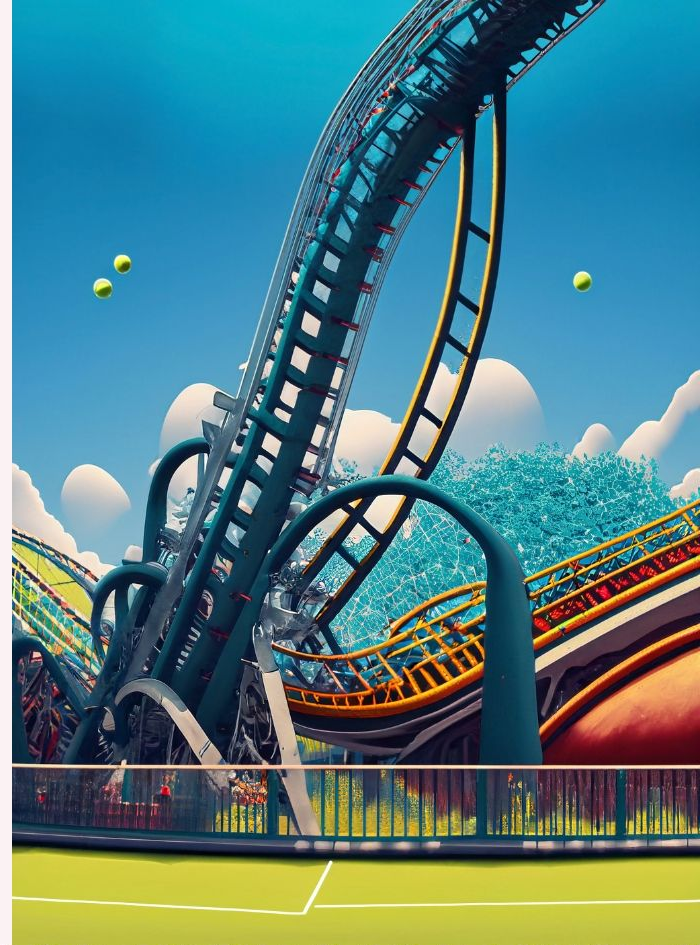

Homerun

Riders experience the sensation of hitting a home run. The track incorporates loops and corkscrews to simulate the trajectory of a baseball.

Ace

The ride begins with a thrilling launch that mimics the power and speed of a tennis serve. Feel the G-forces as you blast off the starting line, just like a tennis player sending a rocketing serve over the net.

An Olympian Journey

Sports Rush isn't just about individual sports; it's a celebration of athleticism in all its forms. Take a ride through our "Olympic Odyssey" section, where you'll encounter the thrill of swimming, gymnastics, and track and field, all in one exhilarating experience.

Riders wear virtual reality (VR) headsets that provide real-time sports commentary and statistics, just like a live ESPN broadcast.
